Recommendations:

- Preschool dancers – Pre-dance classes include Ballet & Tap; Pre-tumbling is also offered which teaches through cartwheels & walkovers.
- It is recommended that beginning dancers ages 5-8 take a combo class of Ballet & Tap and the additional Jazz class to learn the fundamentals in each of the main styles of dance.
- Dancers that have graduated to level 2 and above should choose classes that will enhance their technique in the disciplines. For example, Lyrical enhances Ballet technique; Leaps/Turns enhances Jazz technique. Tumbling and Stretch/Strength are enrichment classes that enable the dancer to become more proficient in acrobatics and flexibility. Hip Hop and Jazz are a recommended combo, as well.

Dazzlin' Doll Competition Teams must follow requirements set forth in their team contract.

Late Pick Up or Early Drop-Off:

We are not a daycare facility and cannot be responsible for children dropped off early or picked up late. A parent or guardian must accompany any child in the lobby waiting for classes. Prompt pick-up is expected. A grace period of 10 minutes before or after each class is allowed, after which \$5 per 5 minutes will be charged to your account.

Jr. High, High School, and Collegiate Dance Team Training: Customized pricing available for teams. See Director for details.

Pageant Training: Modeling, Interview, Talent Choreography by private lesson or workshop. See Director for more details.
