#### Recommendations:

- Preschool dancers – Pre-dance classes include Ballet & Tap; \*New 2017: Pre-tumbling is also incorporated within the pre-dance classes.
- It is recommended that beginning dancers ages 6-8 take a combo class of Ballet & Tap and the additional Jazz class to learn the fundamentals in each of the main styles of dance.
- Dancers that have graduated to level 2 and above should choose classes that will enhance their technique in the disciplines. Lyrical students MUST have ballet training or be taking the class concurrently with a ballet class. Pointe by approval only.
- Leaps/turns is one of our most popular classes due to the enhancement of technique this class provides.

**Dazzlin' Doll Competition Teams must follow requirements set forth in their team contract.**
