Class Levels and Placement: Our studio uses a system of levels to match students as closely as possible within each class and subject. Students are placed based on age and years of experience as well as size, skill level, coordination, musicality, concentration, and maturity in accepting corrections. Each class can therefore be paced to meet the needs of the majority. It is important for parents and students to understand, however, that dance class levels are not the same as grade levels in school, and that dance students may not always change levels each year. This does not mean that they have not made progress or that they are being 'held back'. Students will be moved to the next level based on evaluations by their teachers.

Attendance: Attendance is *very important* for your child to learn and advance in dance techniques. Dance is a commitment and, like anything else, must be practiced regularly to progress. Please notify the office (prior to class) if your child will be out. Tuition is not pro-rated for missed classes. Students missing more than 3 classes between January and May may forfeit their participation in recital, without refund. Students missing class causes the rest of the class to suffer by learning the same steps again the following week. **INITIALS:** _____

Appropriate Dancewear: Students must wear appropriate dancewear for dance classes. Dancewear may be purchased or ordered from the studio store. **Failure to abide by the dress code will result in the inability to participate.** We are not responsible for lost or stolen items.

Tardiness: Late arrival to class must be discouraged as classes are structured to accommodate warming up the body properly. Coming in late is dangerous to the muscles and disrupts the concentration of the class. Students arriving more than 10 minutes late to class must watch in the lobby and enter at the onset of their next class.

Behavior: Disruptive or disrespectful behavior in class will result in the student being asked to leave. Repetitive disciplinary issues may result in the expulsion from the studio without a refund. Likewise, parents should act as role models for the students. We will not tolerate gossip, disparaging remarks of students, parents, staff, or other studios in our studio or at studio-related events. Foul language, raised voices, and violence will not be tolerated! Students should use the bathroom before class. Please help keep the studio clean by picking up after yourself.

Gum/Food/Drinks: Gum, food, and drinks are NOT allowed in the studio...only in the lobby area. Drinks may be purchased from the store. \$1 water bottles will be sold in the store. Water bottles only allowed in dance room.

OBSERVATION: Parents are encouraged to watch class periodically through observation monitors. Please never tap on window, correct your child from the window, or tamper with our window treatments. Please respect our professional methods of teaching by allowing your child to focus on their lesson. DO NOT ENTER THE CLASSROOM TO CORRECT OR DISCIPLINE YOUR CHILD. This is disruptive to the class. Communication with the instructors regarding your child's progress is welcome by appointment. INITIALS: _____

Pickup: Parents are expected to pick students up promptly at the end of their last class for the evening. We are not responsible for students beyond their allotted class time. Continual delays in pickup may result in a sitting fee of \$5 assessed to your account. The studio is not to be used as a daycare facility. All students must remain in lobby while waiting for pickup.

Holidays/Vacations: We regret that we are not able to observe all school systems' vacation and holiday schedules due to the fact that our students attend multiple schools in AL and GA. Sorry, no pro-rated tuition for holidays. Feel free to ask about another class which may be comparable to attend as one-day make-ups. HOLIDAY SCHEDULE WILL BE PROVIDED THE 1ST WEEK OF CLASSES AND ONLINE.
